**Subject :** about construction of toilet room.

To chairperson

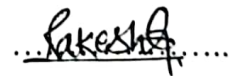

Namaste Gumda Organization

Switzerland,

Dear sir/madam,

This is certify that Gorkha district Dharche Rural Municipality ward no. 07 the construction planning under the Namaste Gumda Organization Switzerland from Shree Prabhat Kiran Secondary School building is under Construction on Gandaki Province government and local government as a concept of mega school. But due to the lack of budget construction of school furnish washroom for school children and teacher staffs has not been constructed. As you know that school children will face the problem of washroom. So, we request to support by allocating budget for construction well furnish washroom for girls and boys sepatly. One block for girls with five washroom including kids and physically disable children which is very necessary to construct.

Thanking you!
